Clerk of City Council
P.O. Box 60

Dear Mrs. Kost:

The Authority staff has been working with the City's Inspections Division to address the blighted property located at 2301 Campbell Avenue. The City's Community Development staff has received complaints about this property, and it has been cited by the city's inspections department for code violations. It was condemned and determined unsafe for human habitation by the inspections department staff on February 16, 2001. Our staff has also inspected this property noting code violations and deficiencies resulting in its blighted condition. The owner of the property was notified of the deficiencies under section 36-19.5 of the Code of Virginia, but has failed to correct the deterioration of the property.

The above Code section provides that an authority may acquire blighted property after a public hearing and approval of such acquisition by the governing body of the city within which the property is located. This is to request that City Council hold a public hearing to consider the request of the Lynchburg Redevelopment and Housing Authority for authorization to acquire these properties pursuant to the above referenced code. Enclosed is a photocopy of the resolution adopted by the Commissioners of the Authority, the notice sent to the owner and a proposed resolution for City Council's consideration, as well as pictures of the property.

Please let me know if you need further information.

Very truly yours,

Edward H. McCann

WHEREAS, the Commissioners of the Lynchburg Redevelopment and Housing Authority (the Authority) have undertaken the exercise of additional powers granted to the Authority pursuant to section 36-19.5 of the Code of Virginia, as amended; and

WHEREAS, one of the major objectives to be achieved in exercising powers granted to the Authority under Code section 36-19.5 is to prevent single-family or multi-family dwelling units within the Authority's area of operation from contributing to the blighting or deterioration of the area immediately surrounding such dwelling unit as a result of the continued deterioration of such dwelling unit and further, to prevent the deterioration of such dwelling unit to such an extent as to constitute a serious and growing menace to the public health, safety and welfare; and

WHEREAS, as a prerequisite to the acquisition of the property by the City of Lynchburg, on behalf of the Authority, in accordance with Code section 36-19.5 (B), the required notice has been given to the landowner to correct the deterioration of the dwelling unit; and

WHEREAS, the owner has failed to correct the deteriorated condition of the dwelling unit.

THEREFORE, BE IT RESOLVED, by the Commissioners of the Authority that the Executive Director of the Authority, in consultation with the Authority's legal counsel, is hereby authorized and directed to request that the City Council of the City of Lynchburg hold a public hearing to consider the Authority's request to acquire the property at 2301 Campbell Avenue, Lynchburg, Virginia, in accordance with the provisions of Code section 36-19.5, for the purpose of development and redevelopment, including, but not limited to, renovation, rehabilitation and disposition of the property.

7. Windows broken.
8. Roof deteriorated.

We are requesting that these deficiencies and any other non-compliance with the local building code be corrected within sixty (60) days of receipt of this notice, pursuant to Section 36-19.5 of the Code of Virginia. If these corrections are not completed within that time, the Authority Commissioners may request Lynchburg City Council to conduct a public hearing to determine the appropriateness of authorizing the Authority to acquire the property for the purpose of development and redevelopment, including but not limited to, renovation, rehabilitation, and disposition of the property.

Please contact Connie Snavelly of our staff at (434) 845-9011 if you wish to discuss this.
